

**RESOLUTION OF THE BOARD OF SUPERVISORS OF PINA NATURAL RESOURCE CONSERVATION DISTRICT ASSERTING LEGAL STANDING AND FORMALIZING COORDINATION STATUS WITH ALL FEDERAL AND STATE AGENCIES MAINTAINING JURISDICTION OVER LANDS AND/OR RESOURCES LOCATED WITHIN PINA NATURAL RESOURCE CONSERVATION DISTRICT**

WHEREAS, Pina Natural Resource Conservation District ("NRC") is a public land of the State of Arizona and a five member board serves as its chief governing authority; and

WHEREAS, the Pina Natural Resource Conservation District (NRC) is organized under Chapter 6, Arizona Revised Statutes Title 37, Public Lands, locally elected and appointed officials govern the Pina Natural Resource Conservation District and evaluate the conservation needs of their respective areas;

WHEREAS, the citizens of Pina Natural Resource Conservation District historically earn their livelihood from activities reliant upon natural resources on land and waters and those activities are critical to the economy and protection of the environment, natural and human, of Pina Natural Resource Conservation District; and

WHEREAS, the economic base and stability of Pina Natural Resource Conservation District is significantly dependent upon commercial and business activities operated on federally and state owned, managed, and/or regulated lands that include, but are not limited to recreation, tourism, mining, livestock, grazing, and other commercial purposes; and

WHEREAS, as state and federal management policies not only impact the economic base and stability of Pina Natural Resource Conservation District but also the health of the environment that supports a sound natural resource base for the Pina NRC;

WHEREAS, Pina Natural Resource Conservation District desires to assure that federal and state agencies shall inform the NRC Board of Supervisors of all pending or proposed actions affecting local communities and citizens within Pina Natural Resource Conservation District and coordinate with the Board of Supervisors in the planning and implementation of those actions; and

WHEREAS, the National Environmental Policy Act (NEPA), as intended to ensure that federal agencies effectively and consistently coordinate with the NRCs in the NEPA processes. The Council on Environmental Quality (CEQ) regulations also require the agencies to involve local governments such as Pina NRC early in the NEPA planning process;

WHEREAS, The intergovernmental cooperation Act contains specific coordinated planning requirements for local, state and federal agencies. Presidential Executive Order 12372 requires federal agencies to coordinate actions and projects with local governments so that local impacts arising from federal projects may be identified;

WHEREAS, Title 36 of the Code of Federal Regulations, sets forth the administration of the Forest Transition System. The Forest Transition Plan set out at 36 CFR 212.1213, places the responsibility of local governments and other local government entities when designating National Forest System lands. CFR § 212.6(a) provides that National Forest System lands shall grant appropriate access across National Forest and other lands for ingress and egress to assure effective utilization of lands administered by the Forest Service and managed and administered private and public lands, and for the use and development of the resources upon which communities within or adjacent to the National Forests are dependent. Subg (c) provides that "roads and trails shall be permitted for all proper and lawful purposes subject to compliance with rules and regulations governing the lands and the roads or trails to be used";

WHEREAS, coordination of planning and management actions is mandated by federal laws governing land management including the Federal Land Policy and Management Act, 43 US § 1701, and 43 U.S.C. 1712, regarding the coordinate status of a district engaging in the land use planning process, and requires that the "Secretary of the Interior (Secretary) shall... coordinate the land use inventory, planning, and management activities... with the land use planning, and management programs of other federal departments and agencies and of the state and local governments within which the lands are located"; and

WHEREAS, the coordination requirements of 43 USC, Section 1712 provide for special involvement by government officials who are engaged in the land use planning process; and

WHEREAS, Section 1712 makes it clear that the coordination requirements set local governments apart from the regular public involvement provisions, establishing a higher duty for federal agencies to coordinate with local elected and appointed officials as opposed to simply accepting public comments from the general public;

WHEREAS, Section 1712 also provides that the "Secretary shall, assist in resolving, to the extent practical, inconsistencies between federal and non-federal government plans" and gives preference to those local governments which reengaging in the planning process over the general public, special interest groups of citizens, and over local governments not engaging in a land use planning program; and

WHEREAS, the requirement that the Secretary "coordinate" land use inventory, planning, and management activities with local governments, requires the assisting in resolving inconsistencies to mean that the resolution process take place during the planning cycle in place of the regular public involvement cycle when the draft federal plan or proposal is submitted for public review; and

WHEREAS, Section 1712 further requires that the "Secretary shall, provide for meaningful public involvement of state and local government officials... in the development of land use programs, land use regulations, and land use decisions for public lands"; and, when read in light of the "coordinate" re-

viewers does hereby assert legal standing and formally asserts coordination status with all federal, state, and municipal agencies maintaining jurisdiction over lands and/or resources located within Pina Natural Resource Conservation District;

IT IS FURTHER RESOLVED that the Clerk of the Board shall cause a copy of the Resolution to be transmitted to local, regional, state, and/or national offices of all federal and state agencies maintaining jurisdiction of lands and/or resources located within Pina Natural Resource Conservation District and to all federal and state elected representatives serving Pina Natural Resource Conservation District;

IF FURTHER RESOLVED that the Clerk of the Board is authorized and hereby directed to publish a copy of this Resolution in the Arizona Daily Star, a newspaper of general circulation printed and published in the District of Pina Natural Resource Conservation District, State of Arizona;

PASSED AND ADOPTED this 11th day of January 2011 by the Board of Supervisors of the Pina Natural Resource Conservation District by the following polled vote:

YES: Stu Gonzales, Cindy Coping, John King, James Chilton, Supervisors

NOES: none

ABSENT: none

Andrew McCibbon, Chairman,  
Board of Supervisors
